Any dogs boarding for 5 or more nights will be given a complimentary bath the weekday morning before the pickup date provided. Cats are only bathed upon request. If your pet requires sedation, we will call to ask permission before bathing.

We would like to know how to proceed if your dog develops one of the more common medical problems that can arise while boarding. Our primary concern is ensuring your pet's comfort and his/her ability to receive rapid medical treatment should problems occur. Some common ailments below describe what initial measures are taken by the staff to remedy the problem. Should your pet not respond to these initial measures, further treatment may be warranted.

Common Boarding Ailments	Initial measures taken for these ailments
Stress colitis (diarrhea) (<i>Cats and Dogs</i>)	Fecal analysis; switch to bland diet
Kennel nose / Kennel Paw (<i>Dogs</i>)	Clean area, apply topical antiseptic
Hot Spots (<i>Dogs</i>)	Clean and shave area; apply topical antiseptic
Ear Infection (<i>Cats and Dogs</i>)	Clean ears with non-medicated cleaner
No stool production (<i>Cats and Dogs</i>)	Evaluation by Veterinarian; lubricant, laxative
Vomiting (<i>Cats and Dogs</i>)	Switch to bland diet
Persistent lack of appetite (<i>Cats and Dogs</i>)	Change diet to stimulate appetite
